Comparative Analysis Of Basketball Culture

Comparative Analysis of Basketball Culture between China and the USA [Abstract]The American spirit advocates freedom and individualism, as well as Chinese culture emphasizes the discipline and collectivism.I often felt a little confused through the contrast and the cultural analysis of the two countries'

Comparative Analysis of Basketball Culture between the USA ...

Analysis of playoff data, however, reveals that NBA basketball becomes more similar to European basketball in the playoffs, which feature the best teams and a higher level of competitiveness. We argue that this is indirect evidence that NBA teams do not play at their highest level during the regular season, either to conserve strength or because winning is not the only imperative.
