Limited government – state serves & performs limited functions. Equality of right – everyone must abide by laws, which must be applied equally and impartially. Consent of the governed – government requires the consent of the people and is responsible to them. Two aspects all the forms of liberalism.

Liberalism: Classical, Reform, Contemporary | SchoolWorkHelper

Liberalism as a specifically named ideology begins in the late 18th century as a movement towards self-government and away from aristocracy. It included the ideas of self-determination, the primacy of the individual and the nation as opposed to the state and religion as being the fundamental units of law, politics and economy.

List of liberal theorists - Wikipedia

Liberalism, political doctrine that takes protecting and enhancing the freedom of the individual to be the central problem of politics. Liberals typically believe that government is necessary to protect individuals from being harmed by others, but they also recognize that government itself can pose a threat to liberty.

liberalism | Definition, History, & Facts | Britannica

Ostensibly a book about contemporary liberalism, the book's real strength lies in its detailed discussion of how contemporary liberalism has developed into a theory of deliberative democracy concerned with public reason as a central feature of justice in the modern world.

Book Review: Contemporary Theories of Liberalism: Public ...

Liberalism views states, nongovernmental organizations, and intergovernmental organizations as key actors in the international system. States have many interests and are not necessarily unitary and autonomous, although they are sovereign. Liberal theory stresses interdependence among states, multinational corporations, and international institutions.

International relations - Wikipedia

Modern-day liberalism has not been thought to have such a consistent theme. It appears to be a mishmash of grievance, entitlement, guilt, envy, group identification, deification of elected leaders, and love of big government. Until now. I believe the unifying theme of modern-day liberal positions is the inability to recognize the incentive effect.

W.C. Varones: The General Theory of Liberalism

Existing historiography of Latin America has highlighted the role of liberalism in the 19th century formation of modern states, but it is typically viewed as historically discontinuous with the subsequent violence of the 20th century. Narrowing the focus to Argentina, we see historians like Jeremy Adelman asserting that the promise and successes of the early liberal republics were historically ...
