To find the top or bottom values in a range of cells or table, such as the top 10 grades or the bottom 5 sales amounts, use AutoFilter or conditional formatting. For more information, see Filter data in an Excel table or range, and Apply conditional formatting in Excel .

Sort data in a range or table - Excel

With volume 5, Excel is back on track. Volume 4 was a bit disappointing, and the constant references to pedophilia were more creepy than funny. But, with "Secrets & Lies", the Excel Saga is back with the whacked-out parodies and incredibly unconventional humor. Here are a few great moments: * A Power Rangers parody that is actually funny!
