The Indian educator said, "Here, when we want the elephant to grow, we feed the elephant. We don't weigh the elephant." Now, I've never been to India, and I've never tried to weigh an elephant. But this strikes me as the most concise and sound educational policy advice I've heard: Concentrate on what we should be doing intellectually (and ...

To sustain this free service, we receive affiliate commissions via some of our links. This doesn't affect rankings. Our review process. One night I was stuck at home alone, without a car, and with two very hungry 70 pound boxers looking at me with those mournful "we haven't eaten allill day" eyes. I hurried to the pantry only to find we were completely out of dry dog food and canned food!
