### God Among the Philosophers | New Oxford Review

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

First, the theist is allowed to start with basic knowledge claims that both sides of the debate can agree upon. We might call this set of claims that he starts with "common background knowledge." Second, it allows the theist to "tell the theological story" with a goal in mind of supplying sets of plausible or not irrational sufficient conditions ...
