The Complete Game is one of the best books around at demonstrating what goes through the head of a starting pitcher in the heat of battle. Ron Darling a winning pitcher with the Mets and Oakland A's knows of what he speaks. He gives the reader the opportunity to look over his shoulder as he pitches in big games like the world series.

Amazon.com: The Complete Game: Reflections on Baseball and ...

The book uses terminology that is not explained. It assumes the reader has played cards before and is familiar with the terms. I had to download a list of terms from the Internet just to get started. The book uses slightly archaic English, but is well-written. This is a good brush-up book for somebody wanting clarification of rules and play.

In baseball, a complete game (denoted by CG) is the act of a pitcher pitching an entire game without the benefit of a relief pitcher. A pitcher who meets this criterion will be credited with a complete game regardless of the number of innings played - pitchers who throw an entire official game that is shortened by rain will still be credited with a complete game, while starting pitchers who ...
