The Land Founding Chaos Seeds

First of all, The Chaos Seeds series (and I am covering books 1-7 inclusively in this review) follows the life of Richter, as he is offered a journey to a new world, where game mechanics are the will of the Land. It's important to note that the game engine is both complex, and interesting; and as a person who enjoys data, and tables (although the kindle version of tables is a little bit unwieldy), Aleron Kong's work deeply satisfies my love of numbers, although I will accept that this is not ...
