Native American Stories Passed From Mouth to Ear to Heart By Peggy K. Ford. For centuries, Native Americans relied upon oral storytelling for entertainment and to keep alive information needed for survival and moral direction. Today, more Native Americans are preserving these legends, myths, and folktales in written form.

How to Choose Outstanding Multicultural Books | Scholastic

Studies show that certain textures matched with just the right flavor confuse our body's system for knowing when we're full. So we just keep eating. This means more money for food companies. And it means more health problems for us—like obesity or illnesses such as type 2 diabetes and heart disease.
