When the Shooting Stops 39 and the international community need to seize the moment. Allowing nascent chances for peace to sputter and then die would be to condemn these countries to more years of disaster. I accept that today many of the factors required to secure peace, security, and stability simply do not exist in different parts of the region.

When the Shooting Stops

Despite the passionate commentaries on all sides, no one seems to be able to answer the question of when the shootings will stop. As much as liberal media want to blame guns, police or government, this is a moral problem. It involves the acts of an individual who committed monstrous crimes for which he is responsible.
